SHUNG TAK CATHOLIC ENGLISH COLLEGE CIRCULAR#109 2009-2010

Dear Parents,

Applied Learning Courses

We are writing to provide some information about Applied Learning that is part of the New Senior Secondary Curriculum.

Applied Learning offers diversified learning chances to students. Courses in this area will be for students of varying learning needs particularly those who will benefit from a strong practical orientation in their learning. Studies have elements of practical learning that are linked to broad professional and vocational fields. One of the chief aims of Applied Learning is to provide students with opportunities to explore their career aspirations and orientation.

Our Careers Team will be providing some basic information about Applied Learning to all Secondary Four students in the Morning Class- Teacher Time on Wednesday 10 March. Students who may be interested in applying for Applied Learning Courses to replace one of the electives can attend the Briefing Session on Applied Learning that same afternoon in Room 117 from 3:30 – 4:15. A list of the Applied Learning courses and the Prospectus for Applied Learning will be given to your child then. Parents are also welcome to attend this Briefing Session. The deadline for application for the Applied Learning courses is 17 March, 2010.
