30th April 2010

SHUNG TAK CATHOLIC ENGLISH COLLEGE CIRCULAR #135 2009-10

Dear Parents,

Biology Project Presentation

The Biology Department will hold a "Biology Project Presentation" on 20th May 2010. "Project Work" is part of School-based Assessment in senior form Biology study. The aims of the programme are to engage students to solve everyday problems they encounter by the knowledge from Biology, develop self-learning skills, and arouse their interest in study. By presenting some of the outstanding projects, we hope that students share their experience of doing projects and understand more Biology concepts. Complete the reply slip below and return it to your biology teacher on 3 May, Monday.

Details of the programme:

1. Target students: S3, 4 and 6 Biology or Combined Science students
2. Date: 20th May 2010 (Thursday)
3. Venue: School Hall
4. Time: 3:30pm to 4:30pm

Should you have any enquiries, please contact Miss Wong Tan Wah Denise at 2476 4263.

Yours sincerely,

Ms Lau Fung-yi, Lucia
Principal
