**SHUNG TAK CATHOLIC ENGLISH COLLEGE CIRCULAR #138 09-10**

Dear Parents,

**STC Leadership Training Programme**

Our school is recruiting new trainees for the leadership training programme. We are writing to invite applications for the programme. The programme is meant to equip students with better leadership skills and communication strategies, and prepare them for becoming leaders in the future.

Other than the training offered by the school, trainees may be nominated to take part in other leadership training programmes in Hong Kong. These programmes can definitely broaden students' horizons.

For those who are interested, please return the reply slip and the application form to the class teacher by 3<sup>rd</sup> May 2010. Applicants will be interviewed by teachers in mid-May. Shortlisted students will need to take part in a series of programmes and a 3-day training camp during the post-examination activities period.

Should you have any enquires, please contact Ms KY Chan, Mr SB Lau or Mr CL Wong at 2476 4263.

Yours sincerely,

\_\_\_\_\_  
Lau Fung-yi Lucia  
Principal
