**Exposure and Service Learning Program in Cambodia**

Dear Parents,

The Ethics and Religious Education Committee of our school is organising an exposure and service learning programme in Cambodia as one of the ‘other learning experiences’ for your child. The purpose of the exposure programme is to foster a deeper understanding of the issue of social justice through direct contact and personal experiences. These contacts will expose us to the often harsh realities of life and challenge us to take up the cause of advocacy in our own communities and nation. Such an experience can both be transformative and enriching for the students.

The application will be open to **S2 to S4 and S6**. We have **18** places. The decision of who will be chosen will be made in consultation with the Parent Teacher Association. The cost of the exchange trip is **\$4,600**. This covers the cost of the chaperones, airline ticket, fuel surcharge and taxes, travel insurance, hotel accommodation, transportation, outings and entrance fees. Two teacher chaperones will accompany the group as per the guidelines of the Education Bureau.

One of the chaperones has more than 15 years experience in leading exposure programs abroad. We also have good connections in Cambodia and will be accompanied by 2 missionaries from Hong Kong who have been working in Cambodia for 12 years.

**Date: 1-4-2010 to 9-4-2010**

**Itinerary:**

- 1-4/4/2010 Exposure in Garbage Hill, Visit to Orphan House, Vietnamese Floating Village, Service program in a Kindergarten and Primary School, Visit to Killing Fields Museum**
- 5-6/4/2010 Exposure in Rural village, Sleeping in villagers’ home, Cultural exchange in University**
- 7-8/4/2010 Visit to AngkorWat and other Ancient Angkor Temples, Landmines museum**
- 9/4/2010 Return to Hong Kong**

We will inform your child if he/she can join on 8<sup>th</sup> January, 2010. We look forward to your reply and your support as we work together to broaden the horizons of your child.
