SHUNG TAK CATHOLIC ENGLISH COLLEGE CIRCULAR #3 2010-11

Parental Consent for Participation in Physical Education Lessons

Dear Parents,

Physical Education is part of the school curriculum. Every pupil must take part in physical education lessons. However, if your child has any illness, you should seek medical advice on whether your child is suitable to take part in physical education lessons. If your child needs to be temporarily or continually exempted from physical education lessons, a medical certificate from a registered doctor must be produced.

Please return the following reply slip for record and action on or before 3 Sept 2010.

If there are any changes in your child's health condition, please inform the school immediately.

Yours sincerely,

Ms Lau Fung Yi Lucia
Principal
