

SHUNG TAK CATHOLIC ENGLISH COLLEGE CIRCULAR#012 2011-12

2nd September, 2011

Dear Parents,

Re: Trip to Australia, Summer 2011

I write to thank you for your support of our study trip to Perth, Australia in Summer 2011. I hope that your child has shared his/her experiences with you and that your child has grown from the experience. I would now like to report further on the trip to you.

Everything went well and students were happy with their host families and the activities that we arranged. We were especially proud to receive exceptionally favourable comments from bus drivers, teachers and even passer-bys of how well behaved, smart and wonderful our students are. They have done us proud and they have been excellent ambassadors for Hong Kong.

We now ask for some feedback from you, as your child must have shared his/her experiences with you. You can include the comments in your reply slip here or you can send Ms. Brenda Lee an email at brenhilary@yahoo.com. Do feel assured that we will always have students' learning as our major consideration when planning trips.

We are also happy to report that we need to refund some money to you. The sum is **\$710.42**. Please fill in the reply slip below and let us know the name of the person to make the cheque out to.

We are planning our next trip now and if you have any suggestions at all, please feel free to call or send an email at any time.

Thank you once again for your support and we very much look forward to your comments.

Yours sincerely,

Mr. Kung Kwong Pui Joseph
Principal
