

SHUNG TAK CATHOLIC ENGLISH COLLEGE Circular #044 2018-2019

21st September 2018

Dear Parents,

English Language Study Tours

To broaden your child's experience of the world, its sites, sounds, people, customs and language, the English Department is now in the process of planning one or two study tours for this academic year, but we would like to see how many students are interested before finalizing the details of the tours.

As one famous adage goes, "There's no education quite like the lessons of travel." In fact travel is a great and effective way to learn specific subjects beyond textbooks and lessons. We can learn more of the arts, history and culture by being in the actual place. Being there helps us understand, feel for ourselves what it is like and to personally experience the subject. Even if your child may know the answers or can find them from surfing the Internet, there is no greater learning than by seeing, touching and experiencing. This is what we at Shung Tak are going to make possible.

We are looking into the possibility of organizing **one or two** of the following study tours:

Option	Period	Country
1	Chinese New Year Holiday	New Zealand
2	Chinese New Year Holiday	United Kingdom
3	Post-Final Examination Period / Summer Holiday	United Kingdom

Please indicate whether your child is interested in any of the above study tours that we **may** organize depending on the number of participants. You are reminded that this is simply a letter of initial interest, which means that the submission of the reply slip is **not** an application for a place in any of the tours. As soon as we have confirmed the tours that we are going to organize, another letter will be issued to invite all students to apply.

If you have any further questions, please call Ms. Aubrey Kwan or Ms. Brenda Lee at 24764263.

Please return the attached reply slip in e-format; or in printed form, duly signed, to your child's English teacher **on or before 24th September 2018**. We look forward to your continued support.

Yours sincerely,

Dr. Tang Sui Sim Cecilia
Principal
