

18th January 2019

Dear Parents,

Shaping Our Future City 2019

The Institution of Civil Engineers Hong Kong Association Graduates and Students Division (ICE HKA G&S) is planning a campaign, ‘Shaping Our Future City 2019’ for secondary students from January to April 2019, with the theme of “Accessibility, Connectivity and Vibrancy”.

As part of STEM education, the institution offers a unique and structured learning opportunity for students to understand the key elements of engineering. The campaign, being supported by local tertiary institutions and government departments, will be providing talks by local engineering experts and workshops at university theatres and laboratories, as well as visits to public works sites. Students will develop their knowledge in engineering and technology, foresee future opportunities and challenges, as well as discover civil engineering as a creative and rewarding career. The scenario-based competition, culminating in an exhibition or a presentation, will allow the students to showcase their proposals of infrastructures to tackle the challenges faced by our city.

Students who are passionate in applying their scientific knowledge to build a better world would be nominated to join the campaign. Participants are required to attend all of the following events:

Event	Date	Time
Opening Ceremony	26 January 2019 (Saturday)	09:00 – 17:00
Site Visits and Workshops	23 February 2019 (Saturday)	09:00 – 17:00
	16 March 2019 (Saturday)	09:00 – 17:00
Competition Presentation	27 April 2019 (Saturday)	12:00 – 18:00

Please indicate if your child will be interested in joining the campaign on the reply slip, duly signed, to Mr. W.C. Wu by 25th January. In the meantime, if you have any questions, please call 2476 4263 to speak to Mr. W.C. Wu.

Yours sincerely,

Dr. Tang Siu Sim Cecilia
Principal

REPLY SLIP

Dear Principal,

Shaping Our Future City 2019

My child *is / is not interested in joining the campaign.

Name of Student: _____

Class of Student: _____(_____)

Signature of Parent: _____

Date: _____

*Tick as appropriate
