Dear Parents,

School-based English Gifted Programme for S1

Every year, the English Department runs an extra-curricular enrichment course for the gifted or potentially gifted students in S1 who show exceptionally high abilities in English. This course aims to further develop their English language skills, critical thinking, and creativity.

We are pleased to inform you that your child has been nominated to take part in the screening test for the Gifted Programme of this year. The screening test, which consists of a written and an oral assessment, has been arranged on 28th February (Thursday) from 3:30 p.m. to 5:00 p.m. Students who successfully pass the screening test will be invited to join the after-school programme scheduled on 7th March, 14th March, 21st March, and 28th March (4 Thursdays).

If you would like your child to take the opportunity to be part of the Gifted Programme, please sign and return the reply slip to Ms. A. Kwan or to his/her English teacher on or before 25th February (Monday). Should you have any enquiries, please feel free to contact Ms. A. Kwan at 24764263.

Yours sincerely,

Dr. Tang Sui Sim, Cecilia
