

SHUNG TAK CATHOLIC ENGLISH COLLEGE CIRCULAR#181 2018-19

21st February 2019

Dear Parents,

Re: Arrangements for Lunch under Adverse Weather Conditions (S5)

I refer to our circular No. 18-19/027 in which we have informed you about our lunch options; and dismissal under adverse weather conditions. The details were:

“If the Red or Black Rainstorm Warning Signal is issued before lunchtime, to ensure that your child has his/her lunch in a safe environment, students would be asked to stay on the school campus for lunch. Those students who usually eat out can buy food from the school’s tuck shop or alternatively can opt for the school to order lunchboxes on his/her behalf. To facilitate smooth running of this alternative option, we ask that you fill in the form attached for this purpose. The payment would be collected through the Autopay system.”

Unfortunately since the issue of this circular, the restaurants that were chosen to provide the service for lunch to our S5 students have closed down. As such, we ask that you decide again based on the new options of restaurants available.

Please respond in e-format, or return the Reply Slip to the class-teacher, duly signed, on or before 25th February, 2019. If you have any enquiries, please contact the General Office.

Thank you for your cooperation.

Yours sincerely,

Dr. Tang Sui Sim Cecilia
Principal

Dear Principal,

Re: Arrangements for Lunch under Adverse Weather Conditions (S5)

I understand that there needs to be some amendments on the arrangements for lunch based on the closure of the restaurants that were offered as a lunch option.

For the arrangements for lunch, I

- do not need any arrangements as my child usually takes his/her lunch to school.
- will ask my child to buy food from the school tuck shop.
- authorize the school to help my child buy a lunchbox. I shall refer to the Chinese circular for the restaurant options.
