SHUNG TAK CATHOLIC ENGLISH COLLEGE CIRCULAR #95 2009/2010

Dear Parents,

Project Day with Liceo Manara Visiting Students

Your child's class is given the opportunity to spend a day, Wednesday 3rd February, with the students who are visiting our school from Liceo Manara, in Rome, Italy.

The day is a "Project Day" for your child. He/She will be working in a group to give presentations on the places in Kowloon and Hong Kong Island that will be visited on that day. These include Star Avenue, historic areas of Hong Kong Island, Stanley Market and the Peak.

We hope that your child will not only be able to practise English in a more authentic situation and share the culture and places of Hong Kong, but also learn about the culture of Italy.

We will return to school at about 6:00 p.m. that evening.

Thank you for your support.

Yours sincerely,

Ms. Lau Fung-yi, Lucia
Principal
