Dear Parents,

To encourage students to actively participate in more extra-curricular activities and broaden their horizons for all round development, STC has been successful in its application for funding from the Hong Kong Jockey Club Life-Wide Learning Fund and the School-Based After-School Learning and Support Programs. These funds will subsidize S.1 to S.7 students. Students can participate in extracurricular activities and school-based after-school learning. Application is now open to applicants who can meet any one of the following criteria.

1. A student whose family is receiving Comprehensive Social Security Assistance,
2. A student receiving full grant from the Student Financial Assistance Agency,
3. A student receiving half grant from the Student Financial Assistance Agency,
4. A student whose family has financial difficulties in this school year.

Please contact the School General Office for any enquiries. The information will be kept confidential.

Yours sincerely,

Ms Lau Fung Yi Lucia
Principal
