We went to the beach and played very happily. We asked Gigi Leung many questions. She gave us a present. Nowadays, teenagers are interested in the daily life of their idols. We interviewed Kelly Chan. We were very excited when I visited them.

It was the first time for me to meet Twins so closely. Although this job I need to work for a long time, I think it is very suitable for me. During the interview, I did not know what questions I should ask first. What questions to ask first.

How are you? I need your work. Are you busy and do you work happily? I didn’t know that my articles have many people to read my articles. Through this work, I learn how I can make a good magazine. I learn how to make a good magazine.

At the end of September, we visited the publisher of Teen Times. The students needed to report on STC Halloween party. The students [had] started some activities. They went back into the dark school hall. Many students were scared. We ate different kinds of food and all the food was free of charge. Now, I have much knowledge of good food in Hong Kong.
